Dear Mr. Pravin Digamber Lokre,

On behalf of Arts, Commerce and Science College, Kharepatan, I would like to thank you for donating our College with five computers. We are very thankful to you for providing us with computers which will help us provide our students with technical education, which is a must in present times.

We understand the importance of learning computers for students and that's why we have recently constructed a computer lab but until now we had just fifteen computers which were donated by some other generous donor like you. And now with your kind support, we will have twenty computers in our lab which will help us teach computers to our students.

We would again like to extend a warm thank you for helping us and our students.

Sincerely,
