Due to the COVID-19 pandemic, organizing traditional group tree plantation activities was not feasible. To adhere to social distancing guidelines, the National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Kharepatan, initiated a decentralized approach to Van Mahotsav Saptah, celebrated from 1st to 7th July. Students were encouraged to plant at least ten saplings each in their own properties, relatives' or villagers' properties, or public places. The students were requested to send photographs of their plantation efforts to a dedicated WhatsApp group to track participation and progress.

The response from students was enthusiastic and resulted in the planting of approximately 1,189 saplings across their home villages. The saplings included varieties such as Cashew, Kokam, and Coconut. Some notable participants in this initiative were Santosh Lotankar, Gurunath Bhosale, Aditi Bhalekar, Prajka Gade, Prathamesh Narkar, Mayur More, and Dashrath Ingale, who actively contributed to this green cause.

In total, seven participants were directly involved in the plantation activity, impacting a significant number of community members who benefited from the increased greenery and environmental awareness. This initiative not only fostered a sense of responsibility towards nature among students but also contributed positively to their local ecosystems. The success of the Van Mahotsav Saptah underlines the importance of individual efforts in contributing to a larger environmental impact, even during challenging times.

On November 26, 2020, the National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Kharepatan, organized a Shramdan activity within the college campus and the new building premises. This initiative aimed to foster community spirit and emphasize the importance of contributing to the upkeep and beautification of our educational environment. The event commenced at 10:15 AM and witnessed enthusiastic participation from students and faculty members.

The college principal, Dr. Atmaram D. Kamble, along with esteemed professors Prof. Prakash Sinde and Prof. Nayan Ugale, graced the occasion. The NSS Program Officer, Shri Vaseem Sayyed, led the activity, guiding the participants in various tasks such as cleaning, planting saplings, and arranging the new building's premises. The absence of a formal chief guest, chairperson, or guest of honor underscored the collective nature of the Shramdan, highlighting that every participant played a crucial role in the day's success.

Throughout the event, participants engaged in tasks that not only improved the physical surroundings but also fostered a sense of teamwork and responsibility. The National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Kharepatan, organized an impactful HIV-AIDS Week aimed at raising awareness and educating participants on HIV/AIDS prevention and management. The event featured a series of informative sessions and activities designed to enlighten attendees about the critical aspects of HIV/AIDS, its prevention, and its societal impact.

The orientation session, which was a key highlight of the week, was led by Mr. Susbil Parab from the Sub-district Hospital, Kankavli. As the chief speaker, Mr. Parab provided comprehensive insights into the medical, social, and psychological facets of HIV/AIDS. His expertise helped demystify the disease, offering participants a deeper understanding of how to prevent transmission and support those affected.

Principal Dr. A. D. Kamble chaired the session, emphasizing the importance of community involvement in combating the spread of HIV/AIDS. The session was further graced by the presence of NSS District Coordinator Shri. Vaseem Sayyed, whose support and guidance were instrumental in the program's success.

The event witnessed active participation from both teaching and non-teaching staff, reflecting the college community's commitment to health education and social responsibility. A total of 77 participants attended the sessions, benefiting significantly from the knowledge and resources shared. The number of beneficiaries averaged beyond the attendees, as participants were encouraged to disseminate the information within their communities.

Overall, the HIV-AIDS Week organized by the NSS Department was a resounding success, fostering awareness and empowering individuals to contribute to the fight against HIV/AIDS.

The National Service Scheme Department of Arts, Commerce, and Science College, Kharepatan, organized a lecture on the occasion of Gandhi Death Anniversary (Punyatithi) to honor the legacy of Mahatma Gandhi. This event, held on January 30, aimed to enlighten attendees on the values and teachings of the Father of the Nation.

The chief speaker for the session was Prof. Dr. A. D. Kamble, a renowned scholar known for his insightful views on Gandhian philosophy. Dr. Kamble delivered a thought-provoking lecture, emphasizing Gandhi's principles of non-violence, truth, and simplicity. He elaborated on how these principles remain relevant in today's world and encouraged the audience to incorporate them into their lives.

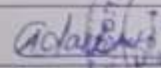

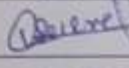

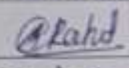

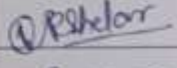

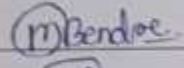

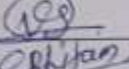

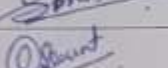

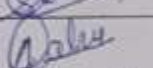

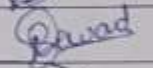

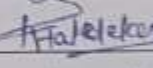

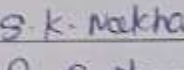

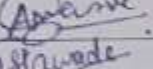

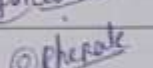

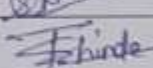

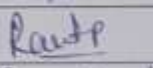

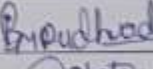

The session was chaired by NSS DC Shri. Vaseem Sayyed, who highlighted the significance of observing Gandhi Punyatithi as a reminder of the enduring impact of Gandhi's ideals on society. Shri. Sayyed also appreciated the efforts of the NSS volunteers in organizing such meaningful events that promote national values. The event was attended by teaching and non-teaching staff, who actively participated and engaged in the discussions following the lecture. On the occasion of International Women's Day, the National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Kharepatan, organized a significant event to celebrate and promote the cause of gender equality and women's empowerment. The event featured two main components: a lecture and a wall poster exhibition, aimed at raising awareness and fostering a deeper understanding of these crucial issues.

The event commenced with a lecture titled "Women Empowerment and Gender Equality: Progress and Future Steps," delivered by the distinguished Chief Speakers Shri. Vishwas Bhosale and Mahesh More. Their presentation offered valuable insights into the strides made towards gender equality and the future steps required to continue this progress. The lecture was well-received, providing the audience with a comprehensive understanding of the challenges and achievements related to women's empowerment.

Following the lecture, the Wall Poster Exhibition was inaugurated by Principal Dr. Atmaram D. Kamble. The exhibition featured a series of thought-provoking posters created by students, each highlighting different aspects of women's rights, significant achievements, and ongoing challenges in the realm of gender equality. The posters served as a visual representation of the themes discussed in the lecture, aiming to spark conversation and inspire action among the college community.

The event was chaired by Principal Dr. Atmaram D. Kamble, who emphasized the importance of celebrating International Women's Day and continuing the efforts toward gender equality. Both teaching and non-teaching staff were present, demonstrating a unified commitment to the cause. The event successfully underscored the significance of women's empowerment and gender equality, fostering an environment of reflection, learning, and solidarity within the college community.

प्रायः सभी लोग जानते हैं कि भारत में अनेक प्रकार के अनाजों का उत्पादन होता है। इन अनाजों में से कुछ को हम खाते हैं, कुछ को हम पशुओं को खिलाते हैं, और कुछ को हम औद्योगिक उद्देश्यों के लिए उपयोग करते हैं।

हमारे देश में अनाज का उत्पादन हमारे जीवन के लिए अत्यंत महत्वपूर्ण है। यह हमें स्वस्थ और शक्तिशाली रखता है, और यह हमारे अर्थव्यवस्था के लिए भी अत्यंत महत्वपूर्ण है।

## प्रत्येकाने योगाभ्यासक बनायला हवे: प्रा. प्रकाश शिंदे

देवगड, (प्रतिनिधी)- मुंबई विद्यापीठाच्या राष्ट्रीय सेवा योजना कक्षाकडून मिळालेल्या निर्देशानुसार जिल्ह्यातील खारेपाटण येथील कला, वाणिज्य आणि विज्ञान महाविद्यालयातील राष्ट्रीय सेवा योजना कक्षाद्वारे आयोजित 'योग...एक साधन' या विषयी प्रबोधन करताना असले आणि प्राणाध्याम यापुरतेच योगाला मर्यादित ठेवणे हे अपोद्य आहे. योगशास्त्र मानवी जीवनाला हिन्वाप्रमाणे पैलू पाडून लौकिक आणि पारमार्थिक अशा दोन्ही पातळींवर त्याला अन्नमोल बनवते, असे प्रतिपादन प्रा. प्रकाश शिंदे यांनी केले.
