The National Service Scheme (NSS) Department at Arts, Commerce, and Science College, Kharepatan, organized a significant event titled "Vanmahotsa Saptah" with the aim of promoting environmental consciousness and sustainable living. The event, inaugurated by Principal Hon. Dr. A. D. Kamble, marked a pivotal moment in fostering a greener community.

Under the overarching theme of environmental conservation, the event witnessed the enthusiastic participation of 24 individuals, including students, faculty, and members of the local community. Notable figures such as Hon. Shri Vaseem Sayyed, NSS District Coordinator (University of Mumbai), Sindhudurg District, graced the occasion alongside villagers and dignitaries from Kharepatan and Nadgive.

A key highlight of the event was the planting of 250 saplings, including mango, teak, amia, and kokam trees. This act symbolized a collective commitment to nurturing the environment and preserving biodiversity. Each sapling planted served as a tangible step towards mitigating environmental degradation and enhancing green cover in the region.

Moreover, the event aimed to create long-lasting impacts by engaging participants in discussions and workshops on sustainable practices and the importance of environmental stewardship. Through these educational initiatives, the Vanmahotsa Saptah sought to inspire a generation of environmentally conscious citizens who actively contribute to the preservation of nature.

Overall, the Vanmahotsa Saptah was a resounding success, fostering a sense of community spirit and environmental responsibility among participants. As the saplings take root and flourish, they stand as enduring symbols of our collective commitment to safeguarding the planet for future generations.

The National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Rharepatan, organized a significant activity centered around the theme of Swachh Bharat Abhiyan, specifically targeting the reduction of plastic waste and the promotion of sustainability. The initiative focused on the creation and distribution of cloth carry bags as an alternative to plastic, with the aim of encouraging eco-friendly practices among villagers in Kelavali village.

The primary objectives of the activity were to reduce plastic pollution, promote environmental sustainability, and raise awareness about the benefits of using cloth carry bags. By involving the local community in the production and distribution process, the initiative also sought to highlight the potential for cloth bag-making to serve as a source of livelihood.

Under the guidance of Hon. NSS DC Shri. Vascem Sayyed and Shrimati Vandana, Gram Vikas Adhikari of Kelavali, along with other village dignitaries, 19 enthusiastic NSS volunteers actively participated in the event. A total of 425 cloth carry bags were distributed to 408 villagers, showcasing the widespread acceptance and demand for eco-friendly alternatives.

Beyond the immediate impact of reducing plastic waste, the initiative aimed to instill a lasting commitment to sustainable practices within the community. By providing refreshments to participating students and engaging in dialogue with villagers, the event fostered a sense of collective responsibility towards environmental stewardship.

Looking ahead, the success of this initiative underscores the potential for similar grassroots efforts to drive positive change at the local level. Through continued skill development and awareness-building activities, the widespread adoption of cloth carry bags can serve as a catalyst for broader shifts towards a cleaner, greener future.

Parisochaibagkar Hall, ACS College Kharepatan. This event, themed "COVID-19: Mission Yuva Swasthya," was a collaborative effort between the National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Kharepatan, and Kharepatan Primary Health Centre (PHC). The primary objective was to enhance community health by administering COVID-19 vaccines to the local population.

The inauguration of the camp was presided over by Hon. Principal Dr. A. D. Kamble. The event saw active participation and support from various dignitaries, including Hon. Shri. Vaseem Sayyed, NSS District Coordinator (University of Mumbai), Sindhudurg District, and the Hon. Sarpanch of Kharepatan. These prominent figures, along with other village eminents, underscored the community's commitment to fighting the pandemic.

The Head of Kharepatan PHC, Hon. Shrimati Priyanka Pednekar, along with her dedicated team, efficiently managed the vaccination process. Their tireless efforts ensured the smooth administration of vaccines to all attendees. The camp witnessed the participation of 44 NSS volunteers, who played a crucial role in organizing and assisting throughout the event.

A total of 62 beneficiaries received their COVID-19 vaccinations during the camp. The active involvement of NSS volunteers and the effective coordination between ACS College and Kharepatan PHC exemplified the power of community collaboration in tackling public health challenges.

Overall, the COVID-19 Vaccination Camp at Kharepatan was a resounding success, demonstrating the importance of collective action and community service in overcoming the ongoing pandemic. The National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Kharepatan, organized a street play focused on HIV-AIDS awareness. The event took place in the village of Kelavali and aimed to educate the local community about the prevention, treatment, and social implications of HIV-AIDS.

The awareness campaign was graced by the presence of Hon. Shri Vaseem Sayyed, NSS District Coordinator (University of Mumbai), along with other eminent personalities of Kelavali village. Their participation underscored the importance of such educational initiatives and provided encouragement to both the performers and the audience.

A group of 19 enthusiastic NSS volunteers participated in the street play, creatively conveying crucial information about HIV-AIDS. Through their engaging performance, they addressed common myths and misconceptions surrounding the disease, emphasizing the significance of safe practices, regular health check-ups, and the need for compassionate treatment of those affected.

The street play successfully drew the attention of a substantial number of villagers, with an average attendance reflecting the community's interest in health-related issues. The interactive nature of the performance allowed the audience to ask questions and receive immediate, reliable answers, thereby enhancing their understanding of HIV-AIDS.

The event was held in an accessible and prominent area of Kelavali, ensuring maximum visibility and participation. By integrating education with entertainment, the NSS Department effectively utilized the street play format to foster a more informed and health-conscious community.

Overall, the HIV-AIDS theme-based street play was a resounding success, achieving its goal of raising awareness and providing valuable information to the residents of Kelavali. The positive response from the community highlights the impact and necessity of such awareness programs in rural areas.

On May 25, 2024, the National Service Scheme (NSS) Department of Arts, Commerce, and Science College, Kharepatan, organized a COVID-19 Awareness campaign in the village of Nadgive. The event focused on mask distribution and raising awareness about the ongoing pandemic through door-to-door visits. This initiative was part of a broader effort to enhance public health and safety amid the challenges posed by COVID-19.

Eighteen dedicated NSS volunteers actively participated in this campaign. Their efforts were directed towards educating the residents about the importance of wearing masks, maintaining social distancing, and following hygiene practices to curb the spread of the virus. The volunteers engaged with the community personally, ensuring that the information was effectively communicated and understood. This direct approach helped in addressing specific concerns and questions that the residents had regarding COVID-19 and its preventive measures.

The event was graced by the presence of Hon. Shri. Vascom Sayyed, the NSS District Coordinator (DC) from the University of Mumbai, Sindhudurg District. His participation underscored the importance of the campaign and provided additional motivation for the volunteers. Shri. Vascem Sayyed's involvement also highlighted the university's commitment to community service and public health initiatives.

A total of 102 beneficiaries received masks and valuable information through this campaign. The distribution of masks aimed at ensuring that every individual had access to basic protective gear, which is crucial in preventing the transmission of the virus. The awareness drive not only equipped the residents with the necessary tools to protect themselves but also fostered a sense of responsibility towards community health.

This successful event demonstrated the pivotal role of NSS in community engagement and public health promotion, reinforcing the significance of collective efforts in battling the pandemic.

The National Service Scheme (NSS) Department of Arts, Commerce, and Science College,
Kharepatan, orchestrated a commendable initiative under the theme of Swachh Bharat Abhiyan. On
the vibrant morning of April 19, 2022, 25 enthusiastic NSS volunteers embarked on a mission to
enhance the cleanliness quotient of Nadgiv, a bustling locality in the vicinity.

The essence of Swachh Bharat Abhiyan was impeccably captured as the volunteers zealously engaged in sprucing up public spaces. With brooms, gloves, and a collective spirit, they meticulously cleaned the area, leaving behind a trail of freshness and rejuvenation. The significance of their endeavor was magnified by the presence of esteemed dignitary Hon. Shri. Vascem Sayyed, NSS DC (University of Mumbai), Sindhudurg District, whose guidance and encouragement added a layer of inspiration to the event.

The impact of the activity transcended mere physical cleanliness; it resonated deeply with the ethos of community service and civic responsibility. While the number of beneficiaries couldn't be quantified, the ripple effect of their efforts undoubtedly touched the hearts of all who inhabit or traverse through Nadgiv.

This endeavor exemplifies the unwavering commitment of NSS Department, Kharepatan, towards fostering a culture of cleanliness and social engagement. As the sun set on April 19, 2022, Nadgiv stood as a testament to the power of collective action in nurturing a cleaner, greener, and more harmonious society.
