पदार्थांची सक्क लागते. चांगले व्यसन माणसाला प्रगतीकडे घेऊन जाते, तर वाईट व्यसन अधोगतीला नेते, असे प्रतिपादन महाविद्यालयाचे प्राचार्य डॉ. आत्माराम कांबळे यांनी केले.

पूर्वी मुले मर्दानी खेळ खेळत असल्याने ताणतणावापासून दूर असत आणि त्यांचे मन स्थिर आणि शांत असायचे. आता मुले सतत अभ्यासाच्या ओझ्याखाली दबलेली

असतात. टीव्ही, मोबाईल यात मन असल्याने मुलांची मने संभ्रमीत बनली आहेत, त्यामुळे त्यांचे मानसिक, भावनिक आणि बौद्धिक श्रम वाढत आहेत. अशावेळी काहीजण अमली पदार्थांचा आधार घेतात. म्हणून शक्य तेव्हा वाचने, लेखन, व्यायाम, गायन, वाद्य, संशोधन, छायाचित्रण, पाककृती इत्यादी वेसन हितकारक असे मत मराठी विभाग प्रमुख प्रा. रश्मी देसाई यांनी व्यक्त केले. राष्ट्रीय सेवा योजना कक्ष सिंधुदुर्ग जिल्हा समन्वयक वसीम सय्यद यांनीही मार्गदर्शन केले. प्रा. रुची तेली, प्रा. मंगल परब व प्राध्यापकेतर कर्मचारी, तसेच राष्ट्रीय सेवा योजना कक्ष विद्यार्थी प्रतिनिधी भक्ती पिसे व गुरुनाथ भोसले, अदिती घालेकर, जयश्री झंगले, मयूरी पवार, मयूर मोरे आदी स्वयंसेवकांनी उत्साहपूर्ण सहभाग घेतला.

The NSS Department of Arts, Commerce, and Science College, Kharepatan, orchestrated a series of activities in commemoration of HGT: AKAM. The initiative aimed at fostering community engagement and raising awareness about the Har Ghar Triranga Abhiyan.

Under the banner of Swachhata, volunteers embarked on a cleanliness drive across significant locales, including the college's new building premises, Kharepatan Fort premises, and Durga Devi Temple premises, amplifying the campaign's impact by restoring the beauty of these spaces.

A highlight of the event was a poster-making competition designed to channel the students' creativity while elucidating the essence of the Har Ghar Triranga Abhiyan. This platform not only served as a medium for artistic expression but also enabled participants to reflect on the significance of the campaign, fostering a deeper understanding among the student community.

The culmination of these efforts was marked by a vibrant poster exhibition inaugurated by the esteemed Principal, Hon. Dr. Atmaram Kamble, underscoring the college's commitment to societal welfare and nationalistic fervor.

Through these multifaceted activities, the NSS Department successfully instilled a sense of civic responsibility and patriotic pride among the students, embodying the spirit of service and social consciousness ingrained in the institution's ethos.

In commemoration of HGT:AKAM, the NSS Department at Arts, Commerce, and Science College, Kharepatan, orchestrated a series of engaging activities. These included a vibrant rangoli competition, aimed at showcasing the artistic flair of our students. Additionally, a workshop on organic agriculture, featuring a lecture by Assistant Professor Nikhil Futankar, provided valuable insights into sustainable farming practices.

Collaborating with the Kharepatan Gram Panchayat, the department facilitated an Organic Farming and Kisan Samman event. This initiative was graced by esteemed Chief Guest, Mrs. Vaishali Rajmane, the Kankavali Prant Officer, who lent her support to honor 46 deserving farmers.

Moreover, the spirit of cleanliness was upheld through a campus-wide cleaning drive led by enthusiastic students, underscoring our commitment to Swachhata. To infuse an element of adventure, a motorcycle rally saw the active participation of 40 students, adding zest to the proceedings.

These endeavors not only fostered creativity and environmental consciousness but also served as a platform to recognize and appreciate the contributions of our farming community. The collective effort exemplified the college's dedication to holistic development and community engagement.

The NSS Department of Arts, Commerce, and Science College, Kharepatan, commemorated the spirit of Azadi Ka Amrit Mahotsav with zeal through the "Har Ghar Tiranga" event. This initiative aimed to instill a sense of patriotism and national pride among participants while promoting unity and celebrating cultural heritage.

A marathon was organized, starting from the college's main gate, passing through the bus stand, and concluding at the college playground, with the enthusiastic participation of 17 students. Along the route, the national anthem resounded, serving as a powerful reminder of our collective identity and shared values.

In addition to the marathon, the college's commitment to environmental sustainability was showcased through the planting of 25 tree saplings at the university's adopted village, Nadgive. This endeavor not only contributes to the conservation of nature but also fosters a sense of responsibility towards our surroundings.

The event underscored the college's dedication to holistic development, encompassing physical fitness, cultural enrichment, and environmental consciousness. By engaging in activities that promote both individual well-being and societal welfare, the NSS Department continues to inspire students to become active agents of positive change within their communities.

Starting from the college main gate, the route extended to the bus stand and culminated at the college playground, with the enthusiastic participation of 17 students.

The event was not only a physical feat but also a symbolic gesture of unity and patriotism. The rendition of the national anthem at various points along the route served to instill a sense of pride in our heritage and identity, fostering unity among participants.

Furthermore, in a commitment to environmental sustainability and community welfare, the NSS Department undertook a tree plantation drive at the university-adopted village, Nadgave. A total of 25 tree saplings were planted, aiming to enhance green cover and promote ecological balance in the region.

The "Har Ghar Tiranga" event encapsulated the essence of the Azadi Ka Amrit Mahotsav, resonating with the values of freedom, unity, and environmental consciousness. Through such initiatives, the college continues to nurture responsible citizenship and contribute to the nation-building process.

The NSS Department at Arts, Commerce, and Science College, Kharepatan, organized a vibrant extension activity aimed at contributing to the Clean India Campaign 2.0. From October 1st to October 31st, 2022, the college embarked on a mission to distribute theme-based cloth bags in two key villages: Nadgive, the university-adopted village, and Kharepatan village.

The initiative witnessed enthusiastic participation from the students who wholeheartedly engaged in the endeavor. Their dedication and commitment played a pivotal role in the success of the campaign.

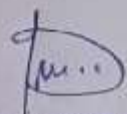

In the university-adopted village of Nadgive, a total of 221 theme-based cloth bags were distributed. These bags were not only practical alternatives to single-use plastic bags but also served as carriers of an important message - the significance of environmental sustainability and the need for responsible waste management.

Furthermore, in Kharepatan village, the impact of the campaign was even more pronounced with the distribution of 692 cloth bags. This substantial number underscores the widespread reach and effectiveness of the initiative within the local community.

The theme-based approach adopted in designing the cloth bags ensured that they were not merely utilitarian items but also served as powerful visual reminders of the Clean India Campaign's objectives. Each bag carried a message, reinforcing the importance of cleanliness and environmental stewardship.

Through this extension activity, the NSS Department, along with the students, demonstrated their unwavering commitment to social responsibility and community engagement. By actively participating in the Clean India Campaign 2.0, they not only contributed to the immediate goal of reducing plastic waste but also fostered a culture of sustainability and eco-consciousness within the community.

In conclusion, the extension activity conducted by the NSS Department at Arts, Commerce, and Science College, Kharepatan, stands as a testament to the collective effort towards building a cleaner and greener India. The impactful distribution of 221 cloth bags in Nadgive and 692 in Kharepatan village underscores the significant strides made in promoting environmental consciousness and fostering positive change at the grassroots level.

Subsequently, the college premises and playground underwent a thorough cleaning drive, embodying the spirit of cleanliness and collective responsibility among the participants.

A highlight of the event was the unity rally that traversed from the college main gate to the Kharepatan sub-bus station, resonating with the ethos of unity and solidarity championed by Sardar Patel. Through insightful discourse, attendees gained a deeper understanding of Sardar Patel's visionary leadership and his instrumental role in shaping India's unified identity.

The NSS Department at Arts, Commerce, and Science College, Kharepatan, organized an extension activity focused on various dimensions of community development. Aligning with the NSS's vision, mission, and objectives, the initiative encompassed themes such as health and hygiene, youth psychology, environmental sustainability, professional education, leadership ethics, personality development, women empowerment, anti-addiction, spiritual well-being, culture, rural development, and social sustainability.

The event comprised lectures, workshops, and orientation sessions, aiming to educate and empower the community. Participants engaged in discussions and practical activities to enhance their understanding and skills in these areas.

One significant aspect of the activity involved the cleanliness of public spaces within the village, contributing to improved sanitation and hygiene standards. Additionally, the team addressed the villagers' needs by digging soak pits, which play a crucial role in managing wastewater effectively.

Through these efforts, the NSS Department demonstrated its commitment to holistic community development, fostering a sense of responsibility and empowerment among both participants and beneficiaries. The initiative not only addressed immediate needs but also laid the groundwork for sustainable progress and positive change within the community.

Sessions covering various themes such as health and hygiene, youth psychology, environmental awareness, professional education, and leadership ethics were conducted to promote holistic development among participants.

The NSS Department of Arts, Commerce, and Science College, Kharepatan, organized a series of impactful activities aligned with its vision, mission, and objectives. Engaging with various dimensions of community welfare, the department conducted sessions on health, hygiene, youth psychology, mental health, environmental stewardship, professional education, leadership ethics, personality development, women empowerment, anti-addiction, spirituality, culture, rural development, and social sustainability.

In collaboration with the local community, the department undertook a cleanliness drive in Ainari village, cleaning public spaces and addressing the villagers' demands by digging various types of pits for waste disposal. Additionally, efforts were made to enhance infrastructure by filling potholes in connecting roads and main thoroughfares, as well as leveling road-side soil.

Furthermore, the department demonstrated its commitment to public welfare by cleaning drainage systems along roads and organizing awareness campaigns through street plays, rallies, posters, and Rangoli competitions, shedding light on diverse social issues. These initiatives not only fostered community participation but also promoted a culture of civic responsibility and social consciousness among the participants.
