## Subject: Report on Students Qualifying in State / National / International Level Examinations in the Last Five Years

Dear Sir / Madam,

I am writing to provide an update regarding the above mention subject.

Upon thorough review and analysis, it has been observed that our students have not qualified in any of the aforementioned competitive examinations during this period. Despite various initiatives and efforts undertaken by the college to enhance the academic performance and competitive preparedness of our students, we have not achieved the desired outcomes in these specific examinations.

We acknowledge this area as a challenge and are committed to identifying and addressing the underlying factors that may have contributed to this outcome. Moving forward, we plan to intensify our focus on specialized coaching, motivational workshops, and personalized mentoring to better prepare our students for future attempts at these examinations.

We appreciate your understanding and look forward to your continued support as we work towards achieving improved outcomes in this regard.

Thank you.

Yours sincerely,

Principal
