## INTERNAL QUALITY AND ASURANCE CELL (IQAC)

### ACADEMIC AND ADMINISTRATIVE AUDIT 2022 - 2023

### ACTION TAKEN REPORT

AAA Recommendations	Action Taken
Vision, Mission statement should be stated clearly.	The Vision and Mission statements have been prominently displayed on the college website, prospectus, and across campus. Regular workshops were conducted to familiarize all stakeholders with the core values.
Initiatives should be taken for Teaching and Non-teaching staff welfare measures.	Initiatives for teaching and non-teaching staff welfare have been enhanced. This includes professional development programs, health check-up camps, and access to mental health services. Financial support schemes have been introduced for staff welfare.
Composition of Anti Ragging and Student Redressal Cell should be as per the UGC guidelines.	The composition of the Anti-Ragging and Student Grievance Redressal Cell has been revised as per UGC guidelines. Orientation programs were conducted to raise awareness among students about grievance redressal mechanisms.
Continuous Internal Evaluation is expected to implement Effectively Developing policies and procedure.	A structured Continuous Internal Evaluation (CIE) policy has been implemented. Regular internal assessments and timely feedback mechanisms have been introduced, ensuring transparency and effective student performance tracking.
It is suggested to take strong step for Research activities Contributing Research committee, Developing Research Policy and providing financial support.	A Research Committee has been established to foster a research culture. A Research Policy has been formulated, and financial support is being provided to faculty and students to present papers and publish research. A dedicated fund has been allocated for research promotion.
Rain water harvesting and waste management system is required to develop for Water Conservation and Green Practices.	Rainwater harvesting systems have been installed on campus to promote water conservation. A waste management system focusing on segregation, composting, and recycling has been developed and implemented.

ICT infrastructure should be provided for effective Teaching Learning process.	ICT infrastructure has been significantly upgraded. Smart classrooms have been set up, Wi-Fi connectivity improved, and digital resources made available to enhance the teaching-learning process.
Enrichment of Library through Books, Journals, E-resources and Integrated Library Management System (ILMS).	After the matter was brought to the attention of College Principal Hon. Dr. Atmaram Kamble and the Director of the Sanstha, MKCL and Delnet.in software were installed to enhance the efficiency of library operations. These systems streamline access to resources, benefiting both students and faculty. Additionally, the college library has been enriched with new books, journals, and e-resources, further strengthening the academic infrastructure.
Students Support Service like sports and cultural should be strengthened by providing facilities like equipment instrument and trainer.	Sports and cultural facilities have been strengthened. New sports equipment, musical instruments, and a dedicated trainer have been provided to promote holistic development among students.
Administration is required to update through e-governance in the area like student admission, examination and finance and account.	E-governance has been implemented in areas such as student admission, examinations, finance, and accounting. This has streamlined administrative processes, making them more efficient and transparent.
