In commemoration of HGT:AKAM, the NSS/DLLE Department at Arts, Commerce, and Science College, Kharepatan, orchestrated a series of engaging activities. These included a vibrant rangoli competition, aimed at showcasing the artistic flair of our students. Additionally, a workshop on organic agriculture, featuring a lecture by Assistant Professor Nikhil Futankar, provided valuable insights into sustainable farming practices.

Collaborating with the Kharepatan Gram Panchayat, the department facilitated an Organic Farming and Kisan Samman event. This initiative was graced by esteemed Chief Guest, Mrs. Vaishali Rajmane, the Kankavali Prant Officer, who lent her support to honor 46 deserving farmers.

Moreover, the spirit of cleanliness was upheld through a campus-wide cleaning drive led by enthusiastic students, underscoring our commitment to Swachhata. To infuse an element of adventure, a motorcycle rally saw the active participation of 40 students, adding zest to the proceedings.

These endeavors not only fostered creativity and environmental consciousness but also served as a platform to recognize and appreciate the contributions of our farming community. The collective effort exemplified the college's dedication to holistic development and community engagement.

Presentation of Cultural  
Programme at Nadgive  
(University adopted  
Village)

The NSS/DLLE Department of Arts, Commerce, and Science College, Kharepatan, celebrated the spirit of Azadi Ka Amrit Mahotsav through the "Har Ghar Tiranga" event. With utmost fervor, the college organized a marathon, symbolizing the journey towards freedom and national pride. Starting from the college main gate, the route extended to the bus stand and culminated at the college playground, with the enthusiastic participation of 17 students.

The event was not only a physical feat but also a symbolic gesture of unity and patriotism. The rendition of the national anthem at various points along the route served to instill a sense of pride in our heritage and identity, fostering unity among participants.

Furthermore, in a commitment to environmental sustainability and community welfare, the NSS/DLLE Department undertook a tree plantation drive at the university-adopted village, Nadgive. A total of 25 tree saplings were planted, aiming to enhance green cover and promote ecological balance in the region.

The "Har Ghar Tiranga" event encapsulated the essence of the Azadi Ka Amrit Mahotsav, resonating with the values of freedom, unity, and environmental consciousness. Through such initiatives, the college continues to nurture responsible citizenship and contribute to the nation-building process.
