Our institution is committed whole-heartedly to the cause of the environment. We regularly take up tree planting initiatives on our campus as well as outside. The College organizes regular tree plantations and poster competitions on environmental themes to raise awareness about nature and natural resources. In collaboration with various departments, cells, and committees, the college organizes regular plantation drives. Teaching and non-teaching staff members, along with students, actively participate in these tree planting drives.

6. Paper waste management

Signboards/posters are displayed on the college campus to encourage ideas of plastic-free campuses, noise pollution, and environmental awareness.

Through workshops/seminars/NSS students are made aware of the various environmental issues.

Awareness is spread through guest lectures, conferences, workshops, poster presentations, rallies etc.
